BEACH HOUSE

Our Beach House Collection is an easygoing porcelain with the laid-back aesthetic of driftwood and stone. The Collection is comprised of two patterns in matte finish — Beach House Wood and Beach House Stone, each offered in four colorways. Each plank-size tile of Beach House Wood is designed to appear as if the wind long ago scattered stone pebbles across its surface, creating a mixed wood and stone aesthetic, with a weathered, time worn feel. Stocked in 8" x 48" rectified field tile.
