

ODYSSÉE COLLECTION

CHAPITRE 1: LE RÉVEIL

She wakes early in her apartment in the heart of the Parisian design district and finds herself alone, her love having departed long before she has roused. Still tousled from sleep, she ventures from room to room searching for him. Her eyes fall on a map of Paris, carefully left on her makeup stand. Scrawled across it in a hand she knows almost as well as her own, a note simply reads, "Follow the map. Find the clues. Meet me at the end of this adventure."

CHAPITRE 2: L'AVENTURE

Alight with curiosity and map in hand, she steps into the morning sunlight, ready to pursue his clues. They take her through Paris' most beautiful sights and awaken treasured memories of him. The Eiffel Tower, the Jardin du Luxembourg, Place de la Concorde, the Arc-de-Triomphe and Place Vendôme– she visits them all, dutifully following each tantalizing clue on the map to her final destination. Finally, the game finds its end as the sun has just begun to set. Framed in its glow, there he waits for her.

CHAPITRE 3: LA DÉCOUVERTE

They stand on the Pont des Arts– on the very spot that serendipity brought them together many years prior – where the adventure began. Together they overlook the city that inspired and nurtured their love. With the last of the sun's rays flickering across the Seine, he asks her the words that will tie them together for the rest of their days...
