

## Watercolors [wôdər kælərs]

The masters of watercolor—Albrecht Durer, Georgia O’Keefe, John Singer Sargent, William Turner, and James Whistler—created nuanced paintings rich with emotion. The Watercolors ceramic collection by Lunada Bay Tile pays homage to these famous artists through varied hues. Like miniature works of art, the tiles express a handcrafted, artisanal aesthetic through carefully curated color, from delicate to vibrant. Designed for creative placement in a variety of spaces, the series is available in three formats: Picket, Post and a coordinating liner.

Shade Variation		Grout Joint Recommendation		NOTES	
V1 - V3 Moderate Variation		1/8" (3 mm)		<p>Since variations are common in artistic ceramic tile, we recommend final selection be made from an actual tile mock-up. To achieve optimal results in shading, layout and design, tile should be randomly selected from multiple boxes during installation. We recommend a minimum of 10% overage on all orders. <b>Installation constitutes acceptance.</b> We advise retaining control samples to aid in color matching if additional material is required (match not guaranteed).</p>	
MAINTENANCE					
<p>A routine cleaning of Watercolors tile can be done with light duty, diluted close to neutral pH detergent cleaner.</p>
