

MADE IN AMERICA

A Tailored To Collection

Made in-house by Artistic Tile's artisans minutes from midtown Manhattan, the **Made in America Tailored To Collection** is highly customizable to your unique requirements.

In the Middle Ages, several generations of a family of stone artisans designed and installed a series of astounding mosaic floors all over Europe. Known as the Cosmati, their dazzling, polychromatic creations are among the most important examples of mosaic work, and remain striking to this day.

Checkerboard is a modern distillation of the Cosmati's flair for pattern and timeless technique. Presented in two colorways: Checkerboard Grey and Checkerboard Multi, and fully customizable through our Tailored To program.
