---

The inventive energy of New York—the city by the Hudson—is evoked in this collection of fresh geometric mosaics in white, grey, and black marbles. Hudson Check is a simple but sophisticated windowpane plaid, given accent by a single square “dot” of contrasting stone at each main intersection. Hudson Hex is unique, with square tesserae pieces in differing colors and orientation creating a hexagonal mosaic for a modern take on a traditional form. Hudson Key is inspired by the utterly classic motif—the Greek Key, as a mosaic liberated from the pattern’s traditional use as a border, perfect for an entire wall or floor.
