

PINNACLE FÊTE

Pinnacle Fete takes the modern classic Pinnacle design and inserts colorful, sculpted marbles and quartzites in a rhythmic patchwork against a ground of Nero marble. The carved triangular flutes expose the internal complexity of both the white-veined details of the background, and the rich, varied color of the inlays. The full repeat is 24" x 24", created by four distinct 12" x 12" parts. The scintillating visual rhythm of the repeat will create walls of true sophistication.
