

# SIDETRACK

---

Sidetrack brings sophisticated design to a classic form: the hexagon. Inspired by Artistic Tile Sales Executive Jason Berube's vision for a detailed geometric pattern, Sidetrack is a highly graphic field tile with intricate mosaic elements. Simple silhouettes: minute tesserae squares, petite rectangular stripes and bold trapezoids, each in a different material, are artfully combined within the hexagonal shape. Sidetrack is ideal for both walls and floors and is stocked in two colorways: Bianco Dolomiti with Azul Cielo, Thassos, and Calacatta Gold, all honed; and honed Thassos with honed Bianco Dolomiti, polished Bianco Onyx and honed Arabescato.
