

VERONESE COLLECTION

A proprietary terrazzo, Veronese is inspired by the colors of Verona, and incorporates distinctive Italian marbles from the region. Crafted for us in Italy in both 24"x24" tile and 48"x120"x2cm slab, this modern terrazzo is composed of 95% marble with 5% resin, and is stocked in four honed colorways:

MULTICOLORE, with chips of Arabescato Bianco marble and jewel-like green and violet Lepidolite mica.

CREMA, featuring Arabescato Bianco marble's softly neutral range.

NERO, with classic Bianco Carrara dramatically set into ink-black resin.

VERDE PERLINO, with marble chips in shades of Pink, Cream and Alpine Green on a dark background.

NOTES										AVAILABLE SIZES
¹ Slab - Yes, linear drain. ² This material is highly sensitive to acids. When used as a kitchen countertop, acid etching will be highly visible. Do not use this material if acid etching is a concern. For kitchen countertops we recommend a honed finish. Expect material to patina over time and create a beautiful rustic/antique look. Suitable for exterior countertops in non-freeze-thaw climates. It will yellow slightly over time when exposed to direct sunlight. ³ Crema and Multicolore - Discoloration may occur from smoke and fumes. ⁴ Alternate mortar - Mapei Granirapid 2-Part System Ardex N23 is to be used if installing over radiant heat systems. ⁵ Alternate grout - Mapei Ultracolor Plus FA or Mapei Flexcolor CQ Test grout color before use, darker grout may stain. ⁶ Slab - Please see MIA DSDM (Dimension Stone Design Manual) for all installation instructions. Do not install in direct sunlight. Tech Notes: Showers: Product MUST be installed in accordance with current TCNA Handbook Stone Methods. - Reseal Remaining Tiles In Plastic Wrap. - Returns Will Not Be Accepted On Improperly Stored Material. - Ardex N23 Is To Be Used If Installing Over Radiant Heat Systems. Test Grout Color Before Use, Darker Grout May Stain.										 ARIS EDGE FIELD TILE 24" x 24" x 1/2" Honed Coming soon in 3/8" Thickness SLAB 48" x 120" x 3/4" (2CM) Honed
