

A MANO

A collection of hand-painted & glazed red-clay ceramic tile, with the detail that has made Maiolica tile highly prized by collectors for six centuries. These hand-drawn, brushed-on geometric patterns update the style of traditional Maiolica while celebrating the creative heritage of the art form. The three patterns are: Piramide, Triangolo and diamonte, each offered in three colorways, designed to work brilliantly on their own for walls and floors, and to coordinate with Artistic Tile's natural stone collections as well. Green mixes verdant shades from pale mint to rich leaf. Blue ranges from sky to rain cloud to deep indigo. Natural elegantly mixes both cool & warm neutrals, with a clean ivory background. Each pattern was conceived with a linear installation repeat that creates dynamic visual rhythm. Each A Mano tile is 8" x 8" x 1/2", and made exclusively for Artistic Tile in Italy.
