

ALI BUDD KATA

Conceived by Ali Budd for Artistic Tile, Kata is a sophisticated composition of different marbles, with one or two jagged-edged layers atop a square honed base. Each colorway is comprised of three different marbles: Bardiglio combines both honed and textured blue-grey Bardiglio with honed Bianco Carrara; Rosa mixes Rosa Portogallo, Calacatta Macchia Vecchia and Bianco Dolomiti, and Green features a graphic mix of Nero and Bianco Carrara freshened by the mint green of Ming Classico. The layering atop each tile which creates an intensity of variation - across marble species within each tile, and in depth and profile of the layers from tile to tile. Each tile is a nominal 12" x 12", with thickness that varies between 3/8" and 1 1/4".
