FILIGREE

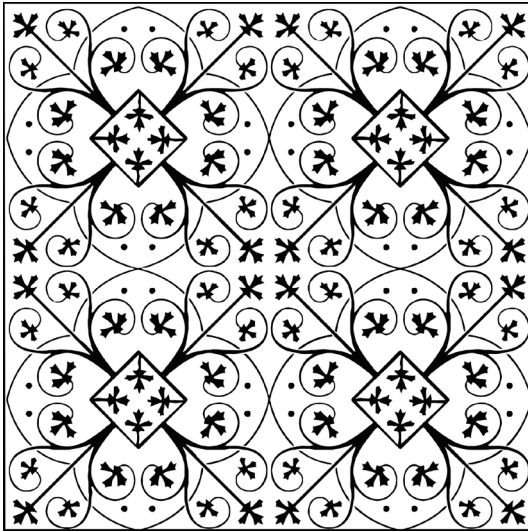

FILIGREE

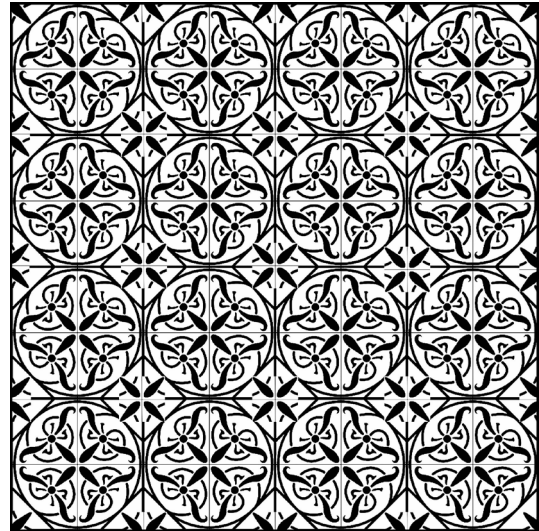

Inspired by the curled metalwork techniques used in jewelry making, Filigree designs take the shape of gorgeous scrolls, lacy flourishes, or symmetrical Art-Deco styles – lending a rich, ornate look.

Our Filigree collection features delicately designed surface embellishments on 6x6 tile, which create intricate overall patterning and can appear subtle or more defined depending on your glaze choice. Available in any of our hundreds of glazes.

Pratt + Larson has been making custom, hand crafted tile since 1982. Our luxury tile studio is located in the heart of Portland, Oregon and our mission is to enrich your environment and your life. Our tile is available for purchase through our network of partners throughout the US and Canada.
