

JAZZ GLASS KEYS

An extraordinary versatile mosaic, Keys brings linear elegance to our Jazz Glass collection. Perfect for both horizontal and vertical orientation, and for patterning with multiple colors. Offered in Dizzy Plum, Pink Lady, Café Crème, Parish Purple, all glossy, and iridescent Moonbeam Matte. Keys is an artisanal glass mosaic. Higher contrast grouts may accentuate the slight variations intrinsic to hand-cut glass.

Tech Note: This product is handmade from Tiffany-style art glass. The raw glass is 100% handmade and exhibits high color and tone variation per piece and from production lot to lot. The appearance of uninstalled glass mosaic is different than the final installed product. The semi-translucent Jazz Glass will be influenced by the choice of setting materials. A mockup to confirm mortar and grout selection is highly recommended. Grout color will greatly influence the appearance of the final installation. Grout color selection may be achieved by filling the joints with dry grout powder. Whether on installed mosaic or uninstalled mosaic sheet placed on white background.
