

CALACATTA BORGHINI

A marble for connoisseurs of classic stone, Calacatta Borghini is among the most exquisite of decorative materials. A highly active surface with both veins and brecciated clasts, this marble varies intensely from lot to lot and tile to tile. The colors go from pewter and deep storm-cloud greys to blends of warm taupe and ochre, all against the classic milk-white background characteristic of stone quarried in mountains of Tuscany. Offered in 12 x 24 tile, both honed and polished.
