

SANCTUARY *by* LORI WEITZNER

With Sanctuary Lori Weitzner makes another foray into stone, translating the fantastical land and sea motifs of her Neptune embroidered fabric into intricately carved and laser-etched dimensional marble, limestone, and dolomite. Sanctuary is offered in three contrasting colorways — Nero, Moca Cream, and Volakas. The pattern's leaves and flowers resonate from each stone, transporting the viewer to an exotic space where texture & pattern harmonize. Offered in 16" x 16" x 1/2" Moca Cream limestone & Volakas dolomite, and 16" x 16" x 3/8" Nero marble, all with a soft, honed & carved dimensional finish.
