

FRINGE BY MUTINA

Designed by Michael Anastassiades for Italian ceramic manufacturer Mutina, Fringe is a unique collection of porcelain tiles with lightly grooved surfaces, offered in several colorways with an option of a narrow or wide stripe on each. Colors and stripe widths can be combined in endless ways, and the grooves in the tile's surface can be grouted in any color, offering a panolpy of unique customization options. Available in two sizes and five colors - White, Anthracite, Grey, Red, and Rose - the tiles are suitable for both floor and wall installation in residential and commercial spaces, indoor and outdoor.
