

STIX LARGE

Game On - A Tailored To Collection by Michelle Gerson

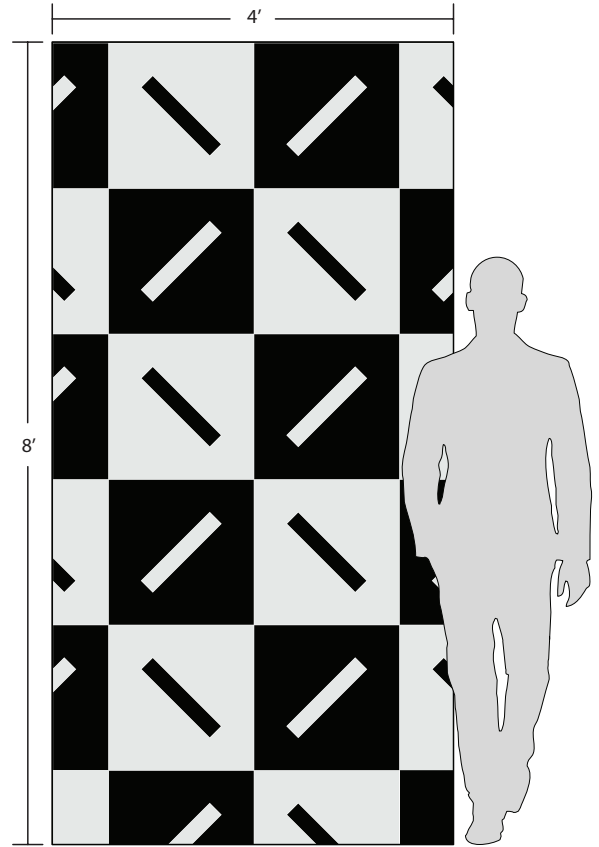

When designing a collection with Michelle Gerson, we had a singular goal: express Michelle's distinct approach to design in a tile collection. Enter Game On - a bold return to basic shapes with just the right amount of the unexpected - a collection that is inherently Michelle Gerson. The collection features five customizable designs - Spot-On, Slide, Zip, and Stix - each available in a range of sizes in both mosaic form and as large format tile.
